

ELİF NİDA BÜYÜKÇOLAK

Student / Sales Consultant

Profile

While working as a sales consultant at Nike, I am continuing my education in the Management Information Systems (MIS) department. I am accustomed to dynamic and fast-paced work environments; I am confident in my interpersonal communication skills, team spirit, and results-oriented approach. I focus on my professional development by combining the theoretical knowledge I have gained at school with my field experience.
